

# Anaconda Maxi

Art. No. 4591-81AM

Our rope-lengths made from square-braided PP rope. 160 mm Ø (green, blue, black or beige) – in 4 different sizes – are the ideal play comrade for children who would like to practice their balancing. In the same way they are open to crawling through them, laying on them and sitting on them. You can install the equipment in 3 different layouts – depending on the available space requirement (Example Art. 4591-81AM Anaconda Maxi). The frames can be set up individually. Please keep a minimum surrounding distance of 1.50 m.

For symbol explanation see folding card at the back
